Cranio- and Maxillofacial Surgery

Training Program 2026

The KLS Martin Group and the SORG Academy offer a comprehensive, practice-oriented training curriculum designed to support every stage of a professional career in craniomaxillofacial surgery.

Our 2026 course program will continue to be expanded throughout the year to ensure a broad and up to date range of educational opportunities.

We also provide customized in-house product training and advanced education sessions upon request.

Please feel free to reach out to us for further information.

We look forward to welcoming you.
